

Welcome to the first Brownhills Shopping Guide, highlighting the excellent range of shops and services you can enjoy locally.

Brownhills is served by a wide choice of the big high street names, as well as a surprisingly diverse selection of independent shops and businesses, to meet many of your shopping and other needs.

The town centre also offers an excellent range of cafes, pubs and restaurants to enjoy whilst out shopping or as a treat at the end of the day.

This guide includes a map of Brownhills with the shops, businesses and services listed below by categories. There is an easy to use grid to help you locate each shop. The map also highlights the ample free parking that is available as well as the many convenient bus stops.

Shoppers may be surprised by the breadth and choice of the products on offer in Brownhills, making a trip further afield unnecessary. Shopping locally brings so many advantages: choice, cost, convenience and, above all, a customer friendly experience!

So, whether you are a regular shopper in Brownhills or an infrequent visitor, please take the time to explore your local shops and, at the same time, support your local high street.

Feedback and comments about this guide are most welcome:
